Foreword

Very soon what is now the vivid and wonderful present will be little more than the fading past. Today's exciting events will be but yesterday's fond memories.

The purpose of this, our **Spectator**, is to preserve for the future these moments in our most decisive years. In high school we have learned to work and to cooperate with others. We have learned to accept good and bad. We leave behind us the

carefree days of youth and enter into a world of responsibilities. As we look hopefully to the future, let this, then, be the key to unlock the door of our past, as today's exciting events fall into their respective places in our memories.

Administration and Faculty

Numbered among the many friends acquired during our high school years must be our teachers. Their interest and consideration of us as individuals has been of great importance. Their exceptional ability, patience, and understanding has made them not only excellent teachers, but guides to a good and useful future.

Seniors

Our three years at Wayne High have been filled with many activities including, homework, club meetings, dances, plays, athletic contests, and others. Through them we have discovered the value of education and of friendly relationships with others.

The Class of 1961

Class History

Let us, as we end our high school career, pause a moment to review the meaningful years spent at Wayne Memorial High School. We entered Wayne with an eyed dream of joining the "elite" group of people known as high school seniors. Little did we realize how much was involved in becoming a senior. Neither did we realize the responsibility we would have to make our class the happiest, most successful we leave the safety and security of high school to advance the adult world as mature citizens. We must face and cope with responsibility.

How did we prepare? From tardy days but frequent self-consciousness to our present confidence, the wonderful Senior Campaign of 1960?

It all started in September, 1957. We were the first to fall under the 6-3-3 program, and for a time the junior highs received a steady stream of freshmen. Our members of our class attended Wayne High that

year and they were the first. At that time we were the first to be added high school class although we had elected officers and were represented in the Student Council. We were busy waiting upper grades to be merged with our own disjointed condition and then we knew it the year was over and we were on our way.

With a membership of 12 students we entered our sophomore year with a new spirit and determination we had never before. As a result we were elected our first officers: President, Fran Meyer, Secretary, Susan Lippert, Treasurer, and Elmer M. Bauer, and a Faculty Manager, an extremely effective and first with us through the current year as a result. Distinguishing ourselves and that we wanted for the top, we chose two very wonderful people, Mr. Donald Stadler and Mrs. Beverly K. as our parents. Their friendship and guidance have proven to be the most putably the wisest thing we have ever done.

Our first major event, the dance, "Ming Jade," sent us into the world of extra-curricular activities that has kept us busy every day for the bigger part of three years. We picked our class sweater and the colors, colors navy blue and white. To adorn our sweaters, we had the hawk, designed by Len Ann Sellers, which symbolized the prowess of our class. Students place class rings on their list of "most prized possessions" so it is easy to understand why we eagerly

ordered our rings and impatiently awaited their arrival early in our junior year.

With enthusiasm we elected for a Christmas Carol Choir. President Bob Dittmar, Vice President Gwen Willet, Secretary, Richard F. Hays, Treasurer, and Dave Dimpsey and Jane Radner, copub. Mgrs. Manager. At the same time during our high school career had we to deal with a busy schedule of events as during the year.

First came our class rings, which were given to us. Then to build up our treasury we sold Christmas cards, wrapping paper, and other novelties. Spring came and at basketball game we presented our class and we began to enjoy a state of prosperity.

Our Junior Play, "Dino" was in the words of dramatic teacher Mrs. R. A. "A dramatic production of great production and acting unsurpassed by any other." Dino Flawelling will be remembered for bringing to life the bitter struggle and victory of a youth who fights for himself, who was fighting for his place in the world.

In preparation for our prom we chose, as our class flower, blue-tipped white carnations. The prom, "Moonlight Sonata" was presented in a beautifully decorated gymnasium. It reflected the hours our class spent in careful planning and preparation.

Our final act of the year was the election of Nick Christy as act again as our president and Bob Dittmar as Vice President. Marilyn Mavris as Secretary, Richard F. Hays as Treasurer and Dave Willet as Publicity Manager.

In the fall of 1960 we entered with serious thoughts and some apprehension what we realized was our last year and dream come true. We were at last Seniors. Along with the glory of having a position came the responsibility of making up our mind about careers and further education. In proof of our excellent education numerous seniors were urged out to receive commendation for outstanding achievement. The first Honor Society meeting ceremony was observed and we began the new season with the presentation of the annual Fall Festival entitled "Autumn Mist." In keeping with its name, an indoor Summer mood provided atmosphere supplemented by the Junior Trio band. Jeri Ann Seiers was crowned our first Fall Festival Queen.

Our Senior Class play presentation "The Diary of Anne Frank" was a most satisfying experience for both cast and class members. Again Mrs. R. drama teacher said "Together, "Dino" and "The Diary of Anne Frank" are the most ambitious plays presented in a great many years and our class chalked up another victory.

Our Spectator Assembly marked the beginning of Our own yearbook sales. Yes, and our Prom, basketball and commencement end our high school career. Our motto "We sail on the ship of ambition we anchor in the harbor of success" is a reassuring thought as we pause to think of what we leave behind. It is indeed our past and our present sailing that will bring us to anchor in the good and successful harbor of the future.

The Diary Of Anne Frank

The Diary of Anne Frank, a play about a young girl growing up in a world of terror and hate, was the ambitious undertaking of the class of 1961. The calm, unshakable faith of the persecuted Jews as well as their moments of agonizing fear, anger, bitterness and hope were all reflected in the emotions of eight people living together in a tiny attic for over two years were carefully recorded by Anne Frank in her diary. The personalities of the eight people were clearly varied. There was young impetuous Anne, quiet, patient Margot, and the strongest of the group, Mr. Frank. Mr. and Mrs. Van Daan were primarily selfish and immature individuals while their son, Peter, silently endured the embarrassment his parents' quarrels caused him.

This play showed the day-to-day problems, conflict and chance which Anne Frank experienced in the attic hiding place. The result was a moving and unforgettable experience which taught both the cast and the audience a lesson in respect and compassion.

Junior Class History

The Class of 1962, in this junior year, displayed unity and integrity as it saw the "Painful Grammarly Ghost" declared an enigma and the "Painful Grammarly Ghost" declared an enigma and the "Painful Grammarly Ghost" declared an enigma.

Having elected B. C. as President, Gary D. as Vice President, Mary T. as Secretary, Jeff V. as Treasurer, and Sam P. as Faculty Manager, last spring the class was able to go to work almost immediately in preparation for its prom, "Wings and B. Night" which was a huge success for all involved.

Selling Christmas cards and raising money for the "Painful Grammarly Ghost" helped the class gain a portion of revenue from its prom, and it looks impatiently forward to its next year, but first year at Wayne Memorial.

Wonderland by Night

The next week, a group of Hawaiians was invited to a picnic at the Waialae Club. The Hawaiian people were very interested in the picnic and the people of the club were very interested in the Hawaiian people. The picnic was a great success and the people of the club were very happy to have the Hawaiian people there. The picnic was a great success and the people of the club were very happy to have the Hawaiian people there.

When the first of these was being made, the second was not yet started.

Sophomore Class History

The sophomore class history is a story of growth and achievement. It began with a small group of students who met regularly to discuss their concerns and share their ideas. Over time, this group grew into a larger organization that has been instrumental in many of the school's most successful programs. The sophomore class has a rich history of leadership and service, and we are proud to continue this tradition.

Sports

We have a wide variety of sports at Wayne High in which a student can participate either as a varsity, reserve, or intramural team member. Besides stimulating school interest, they offer a lot of fun and enjoyment to both participants and spectators.

A black and white photograph of a large group of young men, likely a sports team, posed in several rows. Many of the men are wearing jerseys with numbers. The photo is grainy and has a high-contrast, almost stencil-like appearance. The men are arranged in approximately five rows. The top row consists of about 15 men standing. The second row has about 15 men, some standing and some kneeling. The third row has about 15 men, some standing and some kneeling. The fourth row has about 15 men, some standing and some kneeling. The bottom row has about 15 men, some standing and some kneeling. The numbers on the jerseys are visible on many of the men, but they are difficult to read due to the high contrast and grain. Some visible numbers include 36, 23, 54, 41, 42, 35, 25, 34, 56, 48, 38, 57, 30, 27, 21, 24, 11, 51, 9, 28, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60.

Season Summary

The varsity basketball team, under Coach Bill Elliott, had one of its few recent winning seasons as they won 9 and lost 8.

Wayne won the season opener with Waterford, 49-33, as Bill Coole was high point man with 15 points.

Senior Mike Gouin, who missed the first game because of a back injury, returned to the line-up in time to lead a 70-41 romp over Garden City.

After winning two in a row, the Zebras were really shaken up by Lincoln Park, 48-70.

After Christmas vacation, Wayne started back on the winning trail by beating Ypsilanti, 46-43.

It was an unlucky Friday the thirteenth when the Zebras lost to Edsel Ford, 60-62, in the final 8 seconds of play.

Although Joe Johnston had 22 points, Wayne came out on the short end of a high scoring game with Inkster, 71-77.

Two losses in a row, one to Melvindale and one to Dearborn, brought Wayne's record to 3 wins and 5 losses at mid-season.

Park, the Zebras came within one point of the Rail splitters, 55-56, after trailing by 18 points at half time

Back on the right track after 5 losses in a row, Wayne defeated Ypsilanti for the second time, 55-48

Mike Gouin had 18 points to lead the Zebra victory over Romulus, 53-31

In a tremendous team defensive effort, Wayne held Edsel Ford to 32 points as the Zebras won their third game in a row, 50-32

Led by Mike Gouin's 27 points, Wayne beat non league foe Waterford for the second time, 46-43

The high point of the season was Wayne's overtime defeat of league-leading Melvindale, 50-45; Dempsey Yearout led a balanced team effort with 12 points while four other boys contributed 9 or more points

The last regularly scheduled game proved to be another heartbreaker as Wayne lost to Dearborn in the last minute of play, 65-67.

In the district tournament, the Zebras beat Thurston, 58-32, before they were eliminated by a tough Jackson team.

Season Summary

The reserve basketball team had a disappointing season as they salvaged only two victories, one from Garden City, 34-30, and one from Dearborn, 34-33.

Coach Robert Morley summed up the season when he said, "The 1960-61 version of the reserve basketball team never seemed to get untracked. The season record of 2 wins and 13 losses hardly represents the type of team they were. With a break one way or the other, some of the losses could have been wins. It was a year of transition, and it is the hope of the coaching staff that some new ideas and principles have becoming ingrained in the playing personnel. The work of Don Pennington, who scored 95 points, and the over-all team defense, headed by Ed Bramlet and Larry Kavan, were the high spots of the season."

Season Summary

Faced with top-notch league competition this year, Wayne wrestling finished the season with a 26-33 record.

One of the Zebras' two victories came in the first match of the season as Wayne rolled over Romulus, 43-10.

After a depressing loss to Waterford, 21-31, Wayne came back to defeat Flat Rock, 35-15, by winning all but three of the individual events.

Evidently hurt by the long Christmas vacation, four first-string boys failed to make their weight; and Wayne lost a futile match to Dearborn, 5-47.

Wayne's match with Melvindale found both teams almost even in ability, but the Cardinals' superior strength eventually dealt the Zebras a close defeat, 19-25.

Every Wayne man gave his best in the Edsel Ford match; nevertheless, the Zebras failed to gain a single decision in the last four events, and they lost another close one, 19-23.

After being out-classed by a very good Ypsilanti squad, 10-39, Wayne lost the services of Mike Rossi in the Saint Thomas match, which ended as a tie, 26-26.

The season ended on a flat note as Wayne lost to previously-beaten Flat Rock, 19-27.

Reflecting on the season, Coach Norman Boyea cited Ken Etherton for his attitude and many fine performances. To quote Coach Boyea, "This is a sport that takes 90% guts and 10% ability. You have to want to win, you have to like the hard work and punishment that come with it. Unless Wayne can get more strength in the heavier weight classes, we will find it hard to compete. The future of the team is in the hands of John Jacobs, Paul Brown, Walt Ott, Henry Coleman, Tom Comis, Jeff Wells, George Schumm, John Bullard, Chuck Fisher, and a few other boys."

Season Summary

The swimming team had its best season since its inception as a varsity sport at Wayne High. Coach Terry Byrnes cited four factors responsible for the team's success: the team's high morale, their pride of accomplishment, their hard work, and the strong backing provided by the reserve squad.

Fifteen boys lettered this year: Louie Suter (co-captain), Bob Dittmar (co-captain), Andy Pavlich, Ken Hurrelbrink, Warner Frazer, Bob Butler, Doug Doege, Bob Gauthier, Ron Swegles, Steve Ribble, Tom Latzman, George Arends, Jon Martin, Terry Gizzi, and Dwight Moyer.

In an astounding assault on the record books, the 1961 team set at least two new records in each meet; in all, seven individual team records were set; Louie Suter, 50-yard freestyle; Bob Dittmar, 400 and 200-yard freestyle; Andy Pavlich, 100-yard butterfly and 200-yard individual medley (league record); Warner Frazer, 100-yard backstroke; and Bob Butler, 100-yard freestyle.

Part of the entertainment was provided by Miss Oberlin, and on another occasion, last year's club president, Marilyn [Name], discussed what to expect at college life. A panel of teachers from different grade levels presented an excellent discussion that was greatly appreciated by all members.

The Latin Club, well known for its school spirit and activeness has just experienced its first year as a member of the Junior Classical League, a National organization of over 75 000 members. Their purpose "is to encourage among young people an interest in and an appreciation of the civilization, language, literature, and art of ancient Greece and Rome, and to give them some understanding of the debt of our own culture to that of classical antiquity.

Initiation ceremonies, a saturnalian Celebration at Christmas, sponsoring a dance, a Roman Banquet in the spring for which everyone dresses in Roman Costume, and selling activity room concessions keep club members busy throughout the year.

The awarding of a \$200 scholarship to an outstanding Latin student marks the club as being quite remarkable.

The Math Club serves several important purposes. These are: promoting school spirit and leadership, creating individuality and a desire for a more interesting and, finally, that of providing the students with a group with many interests to work together.

The Dramatics Club Presents

Betsy's First Report Card

'Betsy's First Report Card' was the Dramatics Club presentation for "An Evening of Plays." The satire of this play, once produced for television by Peg Lynch and Alan Bunce, centered around the turmoil resulting from Betsy's 'unusual' report card and her parents startled reaction to the seemingly non-sensical system used to evaluate their daughter's ability.

An Evening of One-Act Plays

A Young Lady of Property

The second play "An Over-Praised Season" revealed some of the problems facing teen-agers. The excellence of this play was created by superb acting and was presented with a great deal of feeling and understanding.

Wayne Memorial High School's entrant in the State Fair Festival at Wayne University, Michigan, was the play "A Young Lady of Property". This play presented the conflicts of a fifteen-year-old girl, Wilma Thompson, as she faced the demands of growing up. Here was seen a production that will be remembered for its excellent characterization and qualities of human emotions.

Course

You, today's graduate, are entering an exciting new era where you will live better than any generation has ever lived before—the era of all electric living.

Your all-electric home for example, thanks to time-saving electric equipment and appliances, will allow you and your family more time to enjoy life together.

Your job will be smoother, too. Electricity in everything from office equipment to heavy machinery, will lighten your work—make it more enjoyable.

If you decide on further education, your field of study may well be related to electricity. Perhaps someday, as a scientist or technician, you will even lend your knowledge to further mold the all-electric world of tomorrow.

But wherever the future finds you, whatever your place in life, electricity will be there to help you live better than ever before—live better electrically.

"She has so much poise and confidence—I'll bet she works for the telephone company. Those girls are so attractive and have such friendly, pleasant manners."

They're talking about Lucy, who started working for Michigan Bell right out of high school. She was trained by friendly, understanding supervisors and today she's proud of her work; enjoys a fine salary, regular wage increases, and many new friends.

Lucy was delighted from the very first by the clean, pleasant surroundings, by the regularly scheduled mid-morning and midafternoon "breaks" for relaxing in comfortable lounge rooms, and by the opportunities for advancement.

Isn't that kind of job worth going after? Then why not get in touch with us—perhaps there's a telephone job for you. We'll be happy to talk with you about the interesting work at Michigan Bell.

Farewell of the Class of '61.

I cannot believe that I have been a member of this great team for the past three years. I have learned so much from all of you, and I will miss you all very much. I hope to see you all again, and I will be there for you all. I love you all, and I will be with you all forever.

All made this book possible.

May this book be a reminder of all the good things we have done together, and may it be a source of inspiration for all who read it. I hope to see you all again, and I will be there for you all forever.
